Suzanne was raised as a girl who always got what she wanted. She was the apple of her father's eye, and the fierce love of her brothers always protected her from prying eyes. Amidst all of the lavishness and opulence, she hardly had any concern in her life. But that was until her father found her a suitor from one of the richest families in the country. She had heard about the boredom of a married life from a friend who was recently married and she definitely did not want that life for herself.

One day, when one of her maids was tying her hair as she was seated on the edge of a window, she peered out to see one of her footmen at work. Something about this man made her heart skip a beat and take notice. Suddenly the whole world around her seemed to change. Who was this man and what was so special about him? Sometimes, love finds us in the most unexpected ways.
