**The NEW Art of Being Right: 38 Ways To Win An Argument In Today's World** Min Liu

From the author of "Verbal Self Defense 101" and "People Games":

The NEW Art of Being Right is a modern reimagining of Arthur Schopenhauer's classic tome The Art of Being Right, a book about the "art of the debate".

The NEW Art of Being Right makes Schopenhauer's 38 strategies for winning arguments (i) EASIER TO UNDERSTAND and (ii) MORE MODERN by using CURRENT EXAMPLES of the 38 strategies.

The NEW Art of Being Right also provides ADDITIONAL COMMENTARY not available in Schopenhauer's original work.

In this guide, you will learn Schopenhauer's "framework of arguments" and the 38 strategies for how to persuade and influence others, and defeat and outwit your opponents. Diversions, indirect refutations, and other "tricks" are covered in easy-to-understand language and in the context of modernized examples.

NEVER let someone else (including haters, trolls, enemies, and frenemies) get the best of you in a debate, verbal confrontation, online comment battle, press conference, or flame war!
