The Torah, the Gospel, and the Qur'an: Three Books, Two Cities, One Tale

Anton Wessels

The Torah, the Gospel, and the Qur'an: Three Books, Two Cities, One Tale Anton Wessels

Discussing the Bible and the Qur'an in one breath will surprise some Jews, Christians, and Muslims. But Anton Wessels argues that all three traditions must read the Scriptures *together* and not *against* each other. As his book title suggests, the three books, in the end, are actually one tale.

Wessels accepts Muhammad as a prophet and takes the Qur'an seriously as Holy Scripture along with the Old and New Testaments -- without giving up his own Christian convictions. Respectfully reading the Torah, the Gospel, and the Qur'an together, he argues, is of crucial importance: our world often sees these religious books as the cause of conflicts rather than the solution to them.
