*In a sizzling prequel to her new series The Dark Elements, #1 New York Times bestselling author Jennifer L. Armentrout draws readers into the extraordinary, irresistible world of Wardens and demons.*

Dez wasn't just Jasmine's crush. A gargoyle Warden like Jas, he helped her come to terms with her destiny—fending off demons and maintaining the balance between good and evil. He was her everything...right until the moment he disappeared without a trace. It didn't help that Jas's father had just announced that she and Dez would one day be mated. Hard not to take that personally.

And now he's back, three years older, ten times hotter, ready to pick up exactly where they left off. But Jas isn't taking that risk again. Dez has seven days to meet all her conditions and earn back her trust. Seven days filled with terrifying danger and sweet temptation. Seven days to win her heart—or shatter it all over again...

"With her signature flare for combining humor, romance and action, Armentrout weaves a fast-paced read that will have readers' hearts racing in more ways than one. Like Armentrout's previous heroines, Jasmine is fun and full of attitude, while Dez is as snarky as he is sexy. This is a must read for new and old fans alike!"
