“*Design Brooklyn* is expansive, inclusive and filled with inspiring ideas and images of interiors, both public and private.” ?Janel Laban, *Apartment Therapy*

“What makes this book special, is that it documents the interior spaces of Brooklyn in a way that I haven’t seen before. We all know that Brooklyn has drastically changed in the last few years, but it’s rare to get the opportunity to peek into some of the private homes or have the luxury of time or money to check out *all* the new public spaces?restaurants, bars and hotels?that have popped up around the borough . . . It gave me a new appreciation for the sheer volume of design happening in Brooklyn every day.” ?Amy Azzarito, *Design\*Sponge*

“Quirky, spirited, surprising and useful?brimming with charm and delight.” ?*New York Times Book Review*
