## **Father in the Making** Marie Ferrarella

It wasn't Blaine O'Connor's fault he'd never learned how to be a full-time father. But now that his son has nobody else, he intends to do his best. Trouble is, that means taking "helpful advice" from a breathtakingly beautiful woman who thinks he has no business raising a child....

Blaine O'Connor isn't going to be Father of the Year. Yet Bridgette Rafanelli feels she owes it to her godchild to give his wayward dad some badly needed lessons in child raising. But as it turns out, this much-too-charming man is the one teaching her a thing or two--about love!
