**Japanese Haiku: Its Essential Nature and History** Kenneth Yasuda

**This is the most authoritative and concise book on Japanese haiku available: what it is, how it developed, and how it is practiced in both Japanese and English.**

While many haiku collections are available to Western readers, few books combine both translated haiku with haiku written originally in English, along with an analysis of individual poems and of the haiku form itself. Written by a leading scholar in the field—Kenneth Yasuda was the first American to receive a doctorate in Japanese literature from Tokyo University—*Japanese Haiku* has been widely acclaimed.

This edition is completely repackaged for a digital format, and is the perfect book for lovers of poetry who do not have a solid background in haiku.
