*A man she'd die for, a world she was born to defend... Only one can survive.*

*Dark Souls, Book 3*

For twenty-five years, Adrian has mourned the loss of his soul mate, Angie. He's content to live as an outcast...until a series of abductions forces him out of seclusion and into the arms of the very woman he loved and lost. Angie's reincarnation, Emma.

Emma is on the run, hunted by soulless creatures whose one goal is to possess her soul. They have taken everything: her home, her identity, her mother. Left with no other choice, she must trust her fate to Adrian, the enigmatic stranger who comes to her rescue. An immortal being whose illicit touch makes her blood burn and awakens an inexplicable desire in her heart.

Emma follows Adrian to his isolated community in Arizona, where she is assailed by visions of a past life. As passion ignites and her enemies close in, Emma is drawn into a world where nothing is what it seems and where love could prove the greatest weakness of all.

Warning: Contains a dark, tortured hero, a hunted woman who can't remember loving him, a nasty villain hell-bent on destroying the world, and a timeless love story you won't soon forget.
