In this third volume of the GemQuest series, captured and imprisoned by Colton, the wizard Premoran rails against his fate. Without Premoran, the essences of the ancient Lalas trees will be lost forever.

While the Twins prepare to embark on their separate quests for the Gem of Eternity, another rises to aid the Lalas. Her name is Tamara, a Sister of Parth. Trained in the mystical mysteries, though unaware of the true extent of her power, she alone can traverse the Hollows – those empty spaces between life and death – to retrieve the eleventh shard, without which the Twins' quest is doomed to fail.

“For the first time in a long time, I lost myself in someone else's creation. We all remember fondly the words we grew up reading, be they Narnia, Middle Earth or Lankhmar. Mythical places that shaped our imaginations and our creative minds, became a part of who we are. In these books we were unfettered, free to dream, to strive, to escape the mundane world that would hold us prisoner. That is the storyteller's greatest gift. Gary Alan Wassner has that gift.”

--Steve Savile, author of the Ogmios Short Novels series, the Jack Stone Thrillers and the Salley Reardon Supernatural Mysteries

“Many authors fall short with their sequels, but Wassner keeps the story going, bringing new elements into the mix.”
