Rob Gonsalves—master of magical realism—presents another mesmerizing picture book in his Imagine a... series, that will “stimulate wonder and imagination” (*Booklist*, starred review).

Imagine a world where the sky becomes the Earth; where a waterfall freefalls to become dancing women; where you can cut mountains out of curtains, and ships sail into the sky. This amazing world is what Rob Gonsalves has created. His vision inspires and astounds—and he wants to share that vision with you.

With stunning illustrations that stretch the limits of the imagination, this fourth installment in the Imagine a... series explores a world that is boundless and beautiful, inviting you to imagine a world of possibilities—to imagine *this* world.
