Instant PrimeFaces Starter Ian Hlavats

In Detail

Developing great user interfaces for web applications has never been easier! PrimeFaces delivers a powerful set of features that enable JSF developers to deliver awesome user experiences on the Web. With more than 150 Ajax-enabled UI components, jQuery integration, a mobile UI toolkit, theme support, Ajax Push technology, and much more, PrimeFaces takes JSF application development to a whole new level!

Instant PrimeFaces Starter is a practical, hands-on guide to PrimeFaces that will show you how to get started quickly using PrimeFaces in your web applications and provides examples on how to design and develop compelling user interfaces using PrimeFaces Ajax UI components, PrimeFaces Mobile, and PrimeFaces Push.

Starting with the setup of your first PrimeFaces project in Eclipse, Instant PrimeFaces Starter will then take you through the process of designing and implementing the user interface of a social events web application that enables users to find fun things in their city. In this process you will learn a range of techniques for building innovative user interfaces with PrimeFaces UI components.

You will also learn how to build a mobile version of your web application using the PrimeFaces Mobile toolkit, leveraging the jQuery mobile library to extend your web application to Android, iOS, and other mobile platforms. Finally you will see how to build a live chat application with presence awareness that uses PrimeFaces Push technology to send updates to desktop and mobile users simultaneously.

Approach

Get to grips with a new technology, understand what it is and what it can do for you, and then get to work with the most important features and tasks. Instant Primefaces Starter is a fast-paced, introductory guide designed to give you all the information you need to start using Primfaces, instantly.

Who this book is for

Instant PrimeFaces Starter is great for developers looking to get started quickly with PrimeFaces. It's assumed that you have some JSF experience already, as well as familiarity with other Java technologies such as CDI and JPA and an understanding of MVC principles, object-relational mapping (ORM), and dependency injection (DI). The sample application included with the book is fully functional and demonstrates how to use these technologies together with PrimeFaces.

From reader reviews:

Joyce Cassady:

This Instant PrimeFaces Starter is great publication for you because the content and that is full of information for you who always deal with world and also have to make decision every minute. This kind of book reveal it facts accurately using great arrange word or we can state no rambling sentences included. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but challenging core information with lovely delivering sentences. Having Instant PrimeFaces Starter in your hand like finding the world in your arm, data in it is not ridiculous one particular. We can say that no book that offer you world with ten or fifteen tiny right but this book already do that. So , this really is good reading book. Hey Mr. and Mrs. busy do you still doubt which?

Carl Adams:

Reading a book to get new life style in this calendar year; every people loves to study a book. When you learn a book you can get a wide range of benefit. When you read guides, you can improve your knowledge, because book has a lot of information in it. The information that you will get depend on what types of book that you have read. In order to get information about your study, you can read education books, but if you act like you want to entertain yourself read a fiction books, this sort of us novel, comics, in addition to soon. The Instant PrimeFaces Starter will give you new experience in reading through a book.

Timothy Grill:

As we know that book is essential thing to add our understanding for everything. By a book we can know everything we would like. A book is a pair of written, printed, illustrated or maybe blank sheet. Every year ended up being exactly added. This book Instant PrimeFaces Starter was filled with regards to science. Spend your free time to add your knowledge about your technology competence. Some people has several feel when they reading the book. If you know how big selling point of a book, you can experience enjoy to read a publication. In the modern era like currently, many ways to get book which you wanted.

Richard Moultrie:

As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Instant PrimeFaces Starter can make you truly feel more interested to read.
