**Knitting Mochimochi: 20 Super-Cute Strange Designs for Knitted Amigurumi** Anna Hrachovec

Toys, people! Who doesn't love toys? They make you smile, give you something to squeeze and hug, and can even sit on the couch and watch TV with you. But could the toy **be** a couch, or an old-fashioned television? Is that too weird? Not if the toy is **mochimochi**, the super-cute and strange knitted toys author Anna Hrachovec created after falling in love with the bizarre character designs that are popular in Japan.

A **mochimochi** can be anything, from fearsome baby gators to pigs with beehive hairdos, from the toe-nibbling monster slippers to an assortment of itty-bitty hamsters, micro mountains, and human beans complete with comb-overs!

And what knitter doesn't need a diversion from the usual socks, hats, and scarves? Many of these toys take less than an hour to make. Don't worry, even a beginner can learn to knit **mochimochi**. If your toy comes out a little lumpy, it'll only add to its personality!

Whether it's a bite-free bed bug, a smiling smokestack, or a grouchy couch--these 20 toys are quirkier than teddy bears but every bit as adorable.

*From the Trade Paperback edition.*
