The Camerons: A Novel Robert Crichton

On her 16th birthday, Maggie Drum sets out from the grimy streets of her Scottish coalmining town to find a man of pride, independence and spirit fit enough to be her husband. She finds her man in Gillon Cameron, a tall fisherman from the Highlands, who will learn to go down into the mines yet refuse to settle for the grinding poverty of the coal miner's life. In a world that treats coal miners as little more than slaves, Maggie's steely determination and Gillon's abiding pride stake their claim to a better future for themselves and seven children. Robert Crichton, author of *The Secret of Santa Vittoria*, brings his stellar storytelling gifts to this sweeping family epic, capturing the Camerons' moments of triumph and loss, bitterness and love set in the magnificent landscapes and social battles of 19th century Scotland. First published in 1972, and a *New York Times* bestseller for more than five months, *The Camerons* draws you in with what at first appears to be a straightforward family drama, then captivates you by the complexity and depth of the Camerons' struggle to create a future of hope and triumph.

From reader reviews:

Mary Marshall:

In this 21st centuries, people become competitive in every single way. By being competitive now, people have do something to make these individuals survives, being in the middle of the particular crowded place and notice simply by surrounding. One thing that oftentimes many people have underestimated it for a while is reading. Yeah, by reading a publication your ability to survive improve then having chance to remain than other is high. For yourself who want to start reading some sort of book, we give you this kind of The Camerons: A Novel book as starter and daily reading guide. Why, because this book is usually more than just a book.

John Reed:

This The Camerons: A Novel is great guide for you because the content and that is full of information for you who all always deal with world and also have to make decision every minute. This specific book reveal it details accurately using great coordinate word or we can say no rambling sentences included. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but tricky core information with wonderful delivering sentences. Having The Camerons: A Novel in your hand like keeping the world in your arm, details in it is not ridiculous just one. We can say that no publication that offer you world inside ten or fifteen tiny right but this book already do that. So , this really is good reading book. Hey Mr. and Mrs. active do you still doubt that will?

Hilda Dolan:

Is it an individual who having spare time subsequently spend it whole day through watching television programs or just resting on the bed? Do you need something totally new? This The Camerons: A Novel can be the response, oh how comes? The new book you know. You are and so out of date, spending your time by reading in this fresh era is common not a nerd activity. So what these ebooks have than the others?

Victor McDowell:

What is your hobby? Have you heard that will question when you got students? We believe that that issue was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. And also you know that little person including reading or as looking at become their hobby. You must know that reading is very important and also book as to be the thing. Book is important thing to include you knowledge, except your teacher or lecturer. You get good news or update about something by book. Many kinds of books that can you go onto be your object. One of them are these claims The Camerons: A Novel.
