## **The Downside of Being Up** Alan Sitomer

Thirteen-year-old Bobby Connor is a normal adolescent boy--at least he hopes he is--just trying to survive middle school. But it seems he's being foiled at every turn, and even his own body is conspiring against him. And when his math teacher is seriously injured from the shock and fright of witnessing just how out of control Bobby's changing adolescent body is getting, he starts to worry he's anything but normal.

Faced with expulsion from school for violating the student handbook code, Bobby opts for therapy--Correctional Erectional Therapy. It's official: Bobby Connor is not normal. But in this uproarious and heartfelt novel, he's going to do his darndest to make it seem that he is . . . or maybe just try to make it through middle school.

#### **Larry Mason:**

As a scholar exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's heart or real their interest. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this The Downside of Being Up can make you really feel more interested to read.
