**How to Hang a Picture: And Other Essential Lessons for the Stylish Home** Jay Sacher, Suzanne LaGasa

Like tying a Windsor knot or brewing a perfect cup of coffee, knowing how to hang art on your wall is a hallmark of everyday style and nuts-and-bolts know-how. The where, what, and whys of hanging art are an overlooked, under-appreciated line of inquiry. Most of us simply wing it with a quick eyeball and a swing of the hammer. *How hard can it be?* we think. *What can go wrong?* The answer, of course, is plenty: crumbling plaster, ruined antique laths, mismatched art hung too-close together, or a poorly-mounted photograph warping in its frame. But beyond the technical mishaps, there is a more essential lesson to be learned: The skill and consideration with which you decorate your home makes an aesthetic statement about the world you inhabit-and more importantly, when it's done right, it very clearly looks *a whole lot better*.

Slim and stylish, *How to Hang a Picture: And Other Essential Lessons for a Stylish Home* is a user-friendly guidebook that details *everything* you need to know about hanging, framing, decorating and displaying art. If Strunk & White's *Elements of Style* was crossed with a no-nonsense how-to manual, you will have captured the tone and immediacy of *How to Hang a Picture*: simple rules and essential information presented with charm and intelligence.
