Borja Antela-Bernárdez, César Sierra Martín

La historia antigua a través del cine (Manuales) (Spanish Edition) Borja Antela-Bernárdez, César Sierra Martín

La relación entre cine y Antigüedad es casi tan antigua como el séptimo arte. La historia antigua a través del cine: historia antigua, arqueología y tradición clásica trata de analizar, por medio de una serie de ensayos, la intensa relación entre cine y Antigüedad, casi tan antigua como el séptimo arte, y que no se somete sencillamente a lo que se ha dado en llamar péplum o, más comúnmente, cine de romanos. Como historia de la cultura popular y el imaginario colectivo sobre la Antigüedad, así como del uso y la utilidad que de todo ello pudo haberse obtenido en un sentido político, cultural o social, el análisis del cine sobre la Antigüedad permite al historiador el establecimiento de un extraño diálogo entre la época que estudia y el presente desde el que escribe.
