## **Ollie'isms** Ian Holloway

Little Book of Ollie'isms is Ian Holloway's first 100% official collection of his notoriously oddball, often witty quotes. His philosophical quotes are frequently overlooked in favour of the headline grabbing ones but whichever is your favourite you will find out in this book why he said it and when. There are few characters in football with as many opinions as Ian Holloway and this great little book will remind us all of why Ollie is so well loved in football by fans and press alike. As Ollie would say we're 'Chuffed as a Badger' that this book is being published!
