The Happy Endings Book Club Jane Tara

This Christmas, the women of the Happy Endings Book Club are about to uncover a world of love and magic as they discover how to have their own happy ending ... or beginning, as they're often the same thing.

Once a month, seven very different women come together to discuss books. They all love a happy ending, but have lost sight of how to get their own. Paige misses glimpsing the magic in the world. Sadie doesn't see the beauty inside people. Amanda wonders what she ever saw in her ex husband. Tilda literally can't see herself. Michi can't bear looking at her family, while Clementine is blind to what's right in front of her. And Eva looks for romance in all the wrong places.

But things are about to change ...

Meet the women of the Happy Endings Book Club as they celebrate Christmas, and themselves, in London, Paris, Vienna, New York, Sydney ... and in love.
