Cat Clarke

The Lost and the Found Cat Clarke

Fans of Lucy Christopher's *Stolen*, Caroline B. Cooney's *The Face on the Milk Carton*, and Natasha Preston's *The Cellar* will be captivated by this twisty psychological thriller about an abducted girl who finally returns home to her family—but is she really who she claims to be?

THE LOST

When six-year-old Laurel Logan was abducted, the only witness was her younger sister, Faith. Since then, Faith's childhood has revolved around her sister's disappearance—from her parents' broken marriage and the constant media attention, to dealing with so-called friends who only ever want to talk about her missing sister.

THE FOUND

Now, thirteen years later, a young woman is found in the front yard of the Logans' old house, disoriented and clutching the teddy bear Laurel was last seen with. Can her sister finally be back? Faith always dreamed of her sister coming home; she just never believed it would happen. But soon a disturbing series of events leaves Faith increasingly isolated from her family and paranoid about her sister's motives. Before long, Faith begins to wonder if it's the abduction that's changed her sister, or if it's something else. . . .

From reader reviews:

Lela Koehn:

Reading a publication can be one of a lot of action that everyone in the world enjoys. Do you like reading book therefore. There are a lot of reasons why people fantastic. First reading a reserve will give you a lot of new information. When you read a guide you will get new information due to the fact book is one of several ways to share the information or maybe their idea. Second, reading a book will make you actually more imaginative. When you looking at a book especially fictional works book the author will bring that you imagine the story how the characters do it anything. Third, it is possible to share your knowledge to some others. When you read this The Lost and the Found, you could tells your family, friends and soon about yours guide. Your knowledge can inspire average, make them reading a e-book.

James Peters:

The book untitled The Lost and the Found is the e-book that recommended to you to read. You can see the quality of the reserve content that will be shown to anyone. The language that writer use to explained their ideas are easily to understand. The article author was did a lot of study when write the book, and so the information that they share to your account is absolutely accurate. You also will get the e-book of The Lost and the Found from the publisher to make you far more enjoy free time.

Ted Bryant:

The reason why? Because this The Lost and the Found is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will surprise you with the secret the item inside. Reading this book close to it was fantastic author who have write the book in such remarkable way makes the content inside of easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This book will give you a lot of positive aspects than the other book include such as help improving your ability and your critical thinking technique. So , still want to hesitate having that book? If I ended up you I will go to the e-book store hurriedly.

Donna Solano:

Do you like reading a publication? Confuse to looking for your best book? Or your book had been rare? Why so many issue for the book? But almost any people feel that they enjoy for reading. Some people likes reading, not only science book and also novel and The Lost and the Found or perhaps others sources were given knowledge for you. After you know how the fantastic a book, you feel want to read more and more. Science reserve was created for teacher or even students especially. Those guides are helping them to add their knowledge. In other case, beside science reserve, any other book likes The Lost and the Found to make your spare time a lot more colorful. Many types of book like this one.
