The Territories of the Russian Federation 2013 (Europa Territories of the World)

This excellent reference source brings together hard-to-find information on the eighty-three constituent units of the Russian Federation.

The introduction examines the Russian Federation as a whole, focusing on the evolution of the relationship between the central state and the regions, followed by a chronology, demographic and economic statistics, and a review of the Federal Government.

The second section comprises territorial surveys, with a chapter on each of Russia's federal subjects, each of which includes a current map. The third section comprises a select bibliography of books. The fourth section features a series of indexes, listing the territories alphabetically, by Federal Okrug and Economic Area.
