Fairy Tale Review: The Blue Issue #1 Kate Bernheimer

The Blue Issue is the inaugural issue of *Fairy Tale Review*. Swiss scholar Max Luthi wrote about fairy tales as literary examples of abstract art. The strange quality that Luthi identifies as “firm form” is sparse, flat and depthless as it is wild, weightless and bright. The writing selected for the debut issue of *Fairy Tale Review* reflects this quality in a multitude of ways. The work in here is not beholden to any particular school of writing. Rather, each contribution uniquely dovetails with the aesthetics and motifs of fairy tales.
