## **Fruit for the Soul: Luther on the Lament Psalms** Dennis Ngien

Given a life spent in scholarship and controversy, it is easy to forget how much energy Martin Luther devoted to helping the common person understand and take comfort from God's word. This commitment extended to even the most challenging of biblical texts, and nowhere is this more apparent than Luther's work on the lament Psalms. Difficult to understand, and perhaps even more difficult to implement in life and devotion, the lament Psalms played a key role in Luther's thought. More importantly, the lament Psalms were for Luther an essential part of the Christian's understanding of the life of faith.

In this volume, Dennis Ngien helps contemporary readers engage Luther's commentary on the lament Psalms. What Luther intended for the education and encouragement of everyday Christians, Ngien unpacks and illuminates for life in the twenty-first century.

Introduced and commended by Robert Kolb, the volume will be appreciated by teacher and student alike.
