**An informative, fun guide to making your own wine**

It's estimated that one million North Americans make their own wine. Relatively inexpensive to make (a homemade bottle costs from \$2 to \$4), a bottle with your own label (and grapes) is a fantasy even someone with modest aspirations can fulfill. Author Tim Patterson, an award-winning home winemaker, shows how it's possible for anyone to create a great wine. In *Home Winemaking For Dummies*, he discusses the art of winemaking from grape to bottle, including how to get the best grapes (and figure out how many you need); determine what equipment is required; select the right yeast and figure out if any other additives are needed; and store, age, and test wine. With detailed tips on creating many varieties -- from bold reds and demure whites to enchanting rosés and delightful sparkling wines -- this guide is your ultimate winemaking resource.
