La cotidianidad de la democracia participativa (Alternativas al desarrollo) (Spanish Edition) Carlos Armando Peralta Varela

¿La sociedad civil es el motor que puede impulsar la democratización en un país como México? En esta obra se ofrece una investigación sobre la participación de las organizaciones de la sociedad civil (OSC) y sus representantes en los espacios institucionales creados oficialmente para propiciar el involucramiento de la ciudadanía en el diseño de políticas públicas. A través de un análisis crítico de tres escenarios en un estado pionero como Jalisco, donde se utilizó por primera vez la figura de la iniciativa popular para impulsar una nueva norma legal, el autor busca calibrar las posibilidades de una cogestión por parte de los sectores de la sociedad civil incorporados en los organismos públicos y, a la vez, evidencia los límites intrínsecos de las OSC y su desempeño. Además, ofrece una serie de recomendaciones para quienes integran las OSC para hacer más eficiente su trabajo en los espacios que les cede el gobierno e incidir así en una mayor democratización de la sociedad.
