## Northern British Columbia Canoe Trips: Volume One: 1 Laurel Archer

This first volume of the guidebook series *Northern British Columbia Canoe Trips* describes in detail eight northern BC paddling routes over eleven rivers, and is designed to provide canoeists with all the information they require to plan a river trip appropriate to their skill level and special interests.

Each route includes:

- a summary of the main attractions of the trip
- where to start and where to finish along the river
- trip length in days and kilometres
- required maps
- suggestions about when to go
- star ratings for difficulty and for historical and recreational value

*Northern British Columbia Canoe Trips: Volume One* covers numerous routes never documented in any publication before, including the Taku, Jennings, Omineca and Gataga rivers, among others, as well as more well-known favourites such as Fort Nelson and the Dease. The book provides paddlers of all types with a variety of river trips to choose from based on comprehensive and comparative information, as well as detailed and specific navigational notes to aid them along their chosen route.
