Most parents would give anything to anchor their children with a vibrant faith that “sticks” and continues to mature into adulthood. Yet, despite this deep desire, research indicates that approximately 40-50% of high school seniors drift from their faith after graduation. The Sticky Faith Parent Curriculum is a video-based study that came from Kara Powell’s desire to see her own kids emerge from adolescence with their faith intact. Through personal, real-world experiences of research and sharing, the Sticky Faith Parent Curriculum enables parents to instill a deep and lasting faith in their adolescents. This video curriculum presents powerful strategies and practical ideas to help parents encourage their children’s spiritual growth, enabling them to develop a faith that sticks.
