**Women of the Wall: Claiming Sacred Ground at Judaism's Holy Site** Phyllis Chesler, Rivka Haut

"This passionate book documents the legendary grassroots and legal struggle of a determined group of Jewish women from Israel, the United States, and other parts of the world—known as the Women of the Wall—to win the right to pray out loud together as a group, according to Jewish law; wear ritual objects; and read from Torah scrolls at the Western Wall. Eyewitness accounts of physical violence and intimidation, inspiring personal stories, and interpretations of legal and classical Jewish (halakhic) texts bring to life the historic and ongoing struggle that the Women of the Wall face in their everyday fight for religious and gender equality.
