"Giles Blake...I'll never forgive you!" I hate that man. When I was a girl, he pulled a damning testimony from me and turned my daddy into a convict. I lost everything in that trial. Afterward, I changed my name to Rae Bonham. I work by day as a secretary at a construction company while at night I study for a degree and work part-time as an escort. And now Giles Blake is coming to me as a client! The man who stole my family, girlhood innocence and all my happiness now seeks my love. This is my chance for revenge! But what do I do when I'm caught between love and hate?
