Conspiracy and the Spanish Civil War: The Brainwashing of Francisco Franco (Routledge/Canada Blanch Studies on Contemporary Spain) Herbert R. Southworth

Written by one of the most celebrated historians of the Spanish Civil War, this book presents a fascinating account of the origins of the war and the nature and importance of conspiracy for the extreme right. Based on exhaustive research, and written with lucidity and considerable humour, it acts as both an outstanding introduction to the vast literature of the war, and a monumental contribution to that literature.
