After finally quenching my lust for my twin stepbrothers, I realized that our relationship was going to have to change. I couldn't imagine leaving things where they were on the beach. We had to do this again. I had so much I still wanted to explore.

Thankfully, the boys have agreed to my terms. But on one condition: I have to enact a dark, dirty fantasy they've been holding back for years. We're going to push the limits and break all the rules, but after tasting their heaven once again, will I be able to keep myself from falling too hard for my sexy stepbrothers?
