## **Hedgewitch Book of Days: Spells, Rituals, and Recipes for the Magical Year** Mandy Mitchell **Recipes, Spells, and Wisdom from the Hedgerow**

Once upon a time the witch held a place of esteem in the village; her knowledge of local plants and wayside herbs were used to heal; her wisdom and empathy made her the village matchmaker and marriage counselor; and her ability to commune with nature and animals gave her a place of revelry and wisdom. She was the Hedgewitch.

Aimed at the busy witch, who is both breadmaker and breadwinner, this book revives the spirit of the Hedgewitch and teaches you how to make every day one full of wisdom, healing, and magic. For the practicing or would-be witch whose life is more jeans, chaos, and the never-ending question of what's for dinner than it is black robes, cauldrons, and incantations, Mandy Mitchell has a recipe for you!

*“I want to demonstrate how daily chores can become magical rituals with the potential to enrich and transform your life—everything from the way we form relationships with our families and friends to cooking, cleaning, and healing.” —from the introduction*

Journey through the wheel of the year with one eye on the kettle and the other on the magical!

#### **David Wysocki:**

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Hedgewitch Book of Days: Spells, Rituals, and Recipes for the Magical Year can make you really feel more interested to read.
