The Talmud's Theological Language-Game: A Philosophical Discourse Analysis (SUNY series in Jewish Philosophy)

Eugene B. Borowitz

The Talmud's Theological Language-Game: A Philosophical Discourse Analysis (SUNY series in Jewish Philosophy) Eugene B. Borowitz

Analyzes the structure and logic of aggadic discourse in the Talmud.

In this pioneering effort, noted Jewish philosopher Eugene B. Borowitz opens up the rules by which the language-game of aggadic discourse is carried on in the Talmud, the foundational document of rabbinic and all later Judaism. These findings are compared with the aggadah (the realm in which almost all explicit statements about classic Jewish religious belief occur) of some other early rabbinic writings. Two issues drive Borowitz's inquiry: What, if anything, constrains the unprecedented freedom of this realm? and How might one positively characterize the aggadah? Borowitz introduces us to the rabbis not only in their amazing profundity, but also in their unguarded humanity. He concludes with a reflection on how this old Jewish language-game should influence contemporary Jewish thought, and, perhaps, other religious thought as well.

Eugene B. Borowitz is Distinguished University Professor and the Sigmund L. Falk Distinguished Professor of Education and Jewish Religious Thought at the Hebrew Union College–Jewish Institute of Religion. He is the author of many books, including *Studies in the Meaning of Judaism* and *The Mask Jews Wear: The Self-Deceptions of American Jewry*, winner of the National Jewish Book Award in the realm of Jewish thought.
