## **A 1980s Childhood: From He-Man to Shell Suits** Michael A. Johnson

Do you remember trying to solve a Rubik's Cube whilst dressed in your He-Man picture pyjamas? Did you try to make 'cool' sound effects with your mouth like Jones from the Police Academy films? Or maybe you swooned over Scott and Charlene (aka Jason and Kylie)'s wedding of the year? If that sounds like you, there's no mistaking that you were a child of the eighties. Rev up your DeLorean, switch on the Flux Capacitor and take a cruise back through the decade that made you the person you are today. This amusing and entertaining collection of reminiscences will jog the memories of all who grew up in the decade when greed was good, mullets were cool and white dog poo littered the streets.
