**A Year Without "Made in China": One Family's True Life Adventure in the Global Economy** Sara Bongiorno

*A Year Without "Made in China"* provides you with a thought-provoking and thoroughly entertaining account of how the most populous nation on Earth influences almost every aspect of our daily lives. Drawing on her years as an award-winning journalist, author Sara Bongiorno fills this book with engaging stories and anecdotes of her family's attempt to outrun China's reach—by boycotting Chinese made products—and does a remarkable job of taking a decidedly big-picture issue and breaking it down to a personal level.
