**From Book 1:**

**Book 1 of Dead in the City**

**She always knew Fate was cruel...**

The last person Olivia expected to turn up at her club was her one true love. It would normally be great to see him, except he's been dead for centuries. Olivia really thought she had moved on with her immortal life, but as soon as she sees Doug Paxton, she knows she'd rather die than lose him again. And that's a real problem...

**But this is beyond the pale...**

Doug is a no-nonsense cop by day, but his nights are tormented by dreams of a gorgeous redhead who's so much a part of him, she seems to be in his blood. When he meets Olivia face-to-face, long-buried memories begin to surface. She might be the answer to his prayers...or she might be the dead of him.
