El laberinto (Spanish Edition)

MANUEL MUJICA LAINEZ

El laberinto (Spanish Edition) MANUEL MUJICA LAINEZ

Una novela admirable que en cierto modo completa el tríptico integrado por Bomarzo y El unicornio. Lo que la primera de esas obras significó como evocación sabia y poética a la vez, para el Renacimiento, y la segunda para la Edad Media, representa El laberinto para la América del siglo XVII. El lector encontrará en la singular autobiografía de Ginés de Silva, el niño pintado por El Greco en El entierro del Conde de Orgaz, las mismas virtudes que antes lo entusiasmaron en las otras dos novelas de Mujica Lainez: una erudición inagotable y deparadora de incesantes sorpresas; una audacia y una ironía sostenidas por una prosa de incesante perfección; una amenidad que hace de la lectura una experiencia inolvidable.

En las páginas de El laberinto podrán seguirse los pasos de Ginés de Silva desde que empieza a vivir en Sevilla hasta su muerte, ya octogenario, en nuestro suelo, a través de una serie de cuadros imprevistos. En el transcurso de esa rica vida surgen lecciones en que la humana psicología y la reconstrucción plástica y desenfadada entrelazan su encanto, su saber y su entendimiento, dando forma a una gran composición histórica y estética de perdurable trascendencia.
