A Goddess Named Gold is a modern fable of rural India narrated against the backdrop of freedom struggle. It is a masterly satire on those who live by the lure of gold.

The plot centres around a touchstone given to Meera by her sagacious grandfather. It is believed that the amulet would enable Meera to turn copper into gold, provided she acts kindly as a natural and spontaneous expression of herself.

It is hugely entertaining tale, yet it disturbs. It disturbs as a warning and as a prophecy.
