## **Mito, tradición, leyendas, enigmas históricos y lugares mágicos**

En *Hispania incognita*, mito, tradición, leyendas, enigmas históricos y lugares mágicos se dan la mano para conducirnos, a través de un apasionante viaje en el tiempo y en el espacio, de un extremo a otro de la geografía ibérica: Galicia, Castilla, Valencia, Murcia, Andalucía... serán escenarios en los que nos encontraremos a lo largo de los diferentes capítulos para descubrir lo que quieren mostrarnos de esa «España desconocida» que nos rodea.

Desde el mítico continente perdido de la Atlántida hasta el romanticismo del siglo XIX, desfilarán ante el lector muchos de los pueblos que han contribuido a conformar la identidad nacional española a través de los siglos; personajes que han influido de manera extraordinaria en el devenir histórico de España; lugares con una atracción especial por sus características geofísicas o arquitectónicas; las huellas simbólicas de los enigmáticos caballeros templarios; tradiciones y leyendas de origen ancestral con influencias célticas, grecolatinas, judías y árabes que permanecen vivas en pleno siglo XXI.

Esto y mucho más, que de momento es una incógnita, se revela en esta obra
