Los doce: 1 (Umbriel thriller) (Spanish Edition) Justin Cronin

El mundo ha sido arrasado por hordas de vampiros mutantes y dirigidos por «los doce», los primeros infectados. La humanidad subsiste en enclaves aislados en un planeta que se ha convertido en territorio hostil. Unos pocos personajes intentan, como pueden, sobrevivir en el caos.

Mientras tanto, Amy y sus compañeros siguen combatiendo para salvar lo que queda de la humanidad, sin saber que el enemigo ha evolucionado y que ahora tienen cómplices entre los hombres, decididos a crear un nuevo orden mucho más siniestro que la extinción total. Ahora, la única esperanza es acabar con los doce virales primigenios, los que se infectaron en primer lugar, aunque para eso haya que pagar el precio definitivo.

Secuela de la exitosa "El pasaje", clamorosamente elogiada por Stephen King, "Los doce" es un escalofriante thriller y, al mismo tiempo, una fascinante historia de sacrificio y supervivencia.
