What if you found yourself in a whole new world? Let your imagination run free in this scene book, jam-packed with cavemen, gods and goddesses, magic, dragons, time machines, grouchy old ladies, and more! My Second Scene Book is the most challenging in this series and a culmination of all the skills learned in the previous volumes. The book begins with short Skits for Starters, progresses to Classic Talks with a Twist (traditional fairy tales surprisingly reinvented) and Brand-New Tales, and ends with challenging Advanced Adventures for older students. This book has several unique features: Individual scenes can be linked to create full plays, Students decide how Stories end in Pick-an-Adventure Plays, Each scene is followed by critical discussion questions.
