Off-Color

Janet McDonald

Off-Color Janet McDonald

Spunky and headstrong, Cameron blasts music, challenges adults, and cuts class when she feels like it. She lives with her single mom in Brooklyn and hangs out with best friends Amanda, P, and Crystal. Life in their working-class neighborhood is pretty cool until Cameron's mother suddenly loses her job and can no longer afford the rent. Move to public housing? YG2BK! But no one's kidding, and Cameron finds herself living in the projects. Can a white girl from across town hope to be accepted by the black girls in the projects? A revelation from the past forces Cameron to confront a startling truth that just might put things in perspective . . . that is, if Cameron can handle it.

Hilarious, surprising, and defiantly candid, *Off-Color* is a thought-provoking and thoroughly entertaining new novel from Janet McDonald. Hip and wise, the author grabs the readers and doesn't let go.

From reader reviews:

William Harris:

The book Off-Color can give more knowledge and also the precise product information about everything you want. Why then must we leave the best thing like a book Off-Color? A few of you have a different opinion about reserve. But one aim which book can give many facts for us. It is absolutely suitable. Right now, try to closer together with your book. Knowledge or details that you take for that, you are able to give for each other; you may share all of these. Book Off-Color has simple shape but the truth is know: it has great and big function for you. You can search the enormous world by available and read a e-book. So it is very wonderful.

Joel Connolly:

In this period of time globalization it is important to someone to receive information. The information will make someone to understand the condition of the world. The health of the world makes the information better to share. You can find a lot of references to get information example: internet, classifieds, book, and soon. You will observe that now, a lot of publisher that print many kinds of book. The book that recommended for you is Off-Color this reserve consist a lot of the information of the condition of this world now. This kind of book was represented how does the world has grown up. The dialect styles that writer use for explain it is easy to understand. The particular writer made some study when he makes this book. This is why this book acceptable all of you.

Holly Murphy:

This Off-Color is new way for you who has fascination to look for some information mainly because it relief your hunger of knowledge. Getting deeper you onto it getting knowledge more you know or you who still having little bit of digest in reading this Off-Color can be the light food for you personally because the information inside that book is easy to get by simply anyone. These books acquire itself in the form which is reachable by anyone, yeah I mean in the e-book contact form. People who think that in reserve form make them feel tired even dizzy this publication is the answer. So there is not any in reading a reserve especially this one. You can find actually looking for. It should be here for you. So , don't miss the item! Just read this e-book type for your better life and also knowledge.

Jamie Norman:

Reserve is one of source of understanding. We can add our know-how from it. Not only for students but in addition native or citizen need book to know the revise information of year for you to year. As we know those publications have many advantages. Beside all of us add our knowledge, could also bring us to around the world. With the book Off-Color we can consider more advantage. Don't someone to be creative people? To get creative person must love to read a book. Only choose the best book that suited with your aim. Don't always be doubt to change your life at this book Off-Color. You can more inviting than now.
