The Trojan Project Richard Rider, John T. Fuller

Written by John T. Fuller (When the Music Stops) and Richard Rider (The Stockholm Syndrome trilogy and Captured Shadows), The Trojan Project is a collection of twelve original stories of gay romance.

A couple move into a new home with that unsettling feeling of being watched; a young man who rescues an antique mannequin from a skip gets more than he bargained for; a lonely campsite worker finally gets up the courage to make a move on the man he admires; an over-privileged student gets more than the standard treatment when he's recruited into a secret society; Andersen, Rimbaud and Verlaine as you've never seen them before – plus fairies, vampires, rockstars, and a surprise appearance from Pip Valentine.

From historical to horror, poetry to porn, there's something to whet every appetite.

We just hope that you like sausage.
