**Comparative Company Law: Text and Cases on the Laws Governing Corporations in Germany, the UK and the USA** Andreas Cahn, David C. Donald

It can be difficult for students of comparative company law both to understand the internationally relative nature of a legal system and grasp it in practical detail. This book is designed to address that problem. Each chapter begins with a discursive analysis of the laws in Germany, the UK and the USA, framed by a comparative presentation. Chapters also contain edited judicial decisions from at least two of the jurisdictions, which allow readers to perform their own comparisons in more detail and leave room for original analysis and discussion.
