Critical Thinking Moore

The first integrated program designed specifically for the critical thinking course, Moore & Parker's *Critical Thinking* teaches students the skills they need in order to think for themselves - skills they will call upon in this course, in other college courses, and in the world that awaits. The authors' practical and accessible approach illustrates core concepts with concrete real-world examples, extensive practice exercises, and a thoughtful set of pedagogical features. Connect and LearnSmart for Critical Thinking coalesce in a highly adaptive learning environment where each student gets the targeted help he or she needs for more efficient mastery of course concepts.
