Jilted: A Novel (Mended Hearts Series) Varina Denman

Lynda Turner has struggled with depression since her husband abandoned her and their young daughter fifteen years ago. Yet unexpected hope awakens when a local ex-convict shows interest. As long-hidden secrets resurface, Lynda must fight for her emotional stability and for a life where the shadow of shame is replaced by the light of love.

Jilted tells of a woman who has lost the joy of living, a man determined to draw her back toward happiness, and a town that must—once and for all—leave the past where it belongs. It is a gentle reminder that all things can work together for good.
