**La Moschea (Italian Edition)** Laura Vargiu

La tranquilla quotidianità di un piccolo e non bene identificato paese di provincia viene turbata all'improvviso da una notizia inattesa: il progetto di costruzione di una moschea da parte della folta comunità di stranieri formalmente bene integrati.

In un clima crescente di diffidenza, timore, ottusità e stupido puntiglio nei confronti della novità, a partire dalla stessa amministrazione comunale, si sviluppa la vicenda che vedrà contrapposte le due parti della popolazione, quella degli abitanti locali e quella dei nuovi residenti, tutti di fede islamica. Il progetto di costruzione del nuovo edificio di culto diventerà dunque motivo di disputa, ma anche occasione di riflessione su tematiche attuali quali immigrazione e accoglienza, nonché rispetto e riconoscimento reciproco dei diritti di tutti. Sarà infine il parroco del paese, con l'aiuto di un santo patrono venuto forse dalle stelle, a dire l'ultima parola risolvendo inaspettatamente l'ingarbugliata situazione.
