Los 12 pilares clave para construir una novela (Spanish Edition) C. S. Lakin

Los 12 pilares clave para construir una novela desata el misterio de cómo elaborar una historia sólida, para que puedas ir desde una idea hasta una novela completa en pasos fáciles de entender.

La autora, C. S. Lakin, revisa y califica cada año más de 200 manuscritos, y años de experiencia le enseñaron que los escritores tienden a cometer los mismos errores fatales en sus manuscritos. Por más bien preparados que estén, fallan en asegurar que los cimientos de sus novelas estén sólidamente plantados.

Como esposa de un contratista constructor, Lakin sabe que un prerrequisito para una casa sólida es un sistema de cimientos a prueba de todo, y aplicando esta idea a la construcción de novelas, define doce pilares constitutivos de un cimiento inamovible, y los detalla uno por uno.

Lakin define cuatro pilares angulares que deben edificarse de manera holística y que sirven de ancla fundacional para luego preparar los otros ocho pilares. Si se siguen sus instrucciones, se terminará con una estructura narrativa a prueba de fallas.

El volumen incluye 12 listas de inspección, cada una con 12 preguntas acerca del pilar estudiado, de modo que si el lector satisface esos 144 criterios con éxito, estará listo para escribir su novela con la certeza de que estará sólidamente construida.

Los 12 pilares clave para construir una novela forma parte de la serie "Herramientas para escritores", diseñada para auxiliar a los autores noveles en el oficio.

Heather Lanham:

Reading a book tends to be new life style in this era globalization. With reading you can get a lot of information that will give you benefit in your life. Along with book everyone in this world could share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their reader with their story or maybe their experience. Not only the storyline that share in the guides. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors in this world always try to improve their ability in writing, they also doing some research before they write on their book. One of them is this Los 12 pilares clave para construir una novela (Spanish Edition).

Thomas White:

As a college student exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs.

As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Los 12 pilares clave para construir una novela (Spanish Edition) can make you feel more interested to read.
