**A girl with it all planned out discovers a romance she never expected in this funny debut about a class trip to London that HelloGiggles.com says you'll love "if you're into swoony romances with a little bit of history thrown in."**

This spring break, Julia's rules are about to get defenestrated (SAT word: to be thrown from a window) when she's partnered with her personal nemesis, class-clown Jason, on a school trip to London. After one wild party, Julia starts receiving romantic texts . . . from an unknown number! Jason promises to help discover the identity of her mysterious new suitor if she agrees to break a few rules along the way. And thus begins a wild goose chase through London, leading Julia closer and closer to the biggest surprise of all: true love. *Because sometimes the things you least expect are the most meant to be.*
