The Professor (Modern Library)

Charlotte Bronte

The Professor (Modern Library) Charlotte Bronte

The Professor was the first novel that Charlotte Brontë completed. Rejected by the publisher who took on the work of her sisters in 1846--Anne's *Agnes Grey* and Emily's *Wuthering Heights*--it remained unpublished until 1857, two years after Charlotte Brontë's death. Like *Villette* (1853), *The Professor* is based on her experiences as a language student in Brussels in 1842. Told from the point of view of William Crimsworth, the only male narrator that she used, the work formulated a new aesthetic that questioned many of the presuppositions of Victorian society. Brontë's hero escapes from a humiliating clerkship in a Yorkshire mill to find work as a teacher in Belgium, where he falls in love with an impoverished student-teacher, who is perhaps the author's most realistic feminist heroine. *The Professor* endures today as both a harbinger of Brontë's later novels and a compelling read in its own right.

"The middle and latter portion of *The Professor* is as good as I can write," proclaimed Brontë. "It contains more pith, more substance, more reality, in my judgment, than much of *Jane Eyre*".

From reader reviews:

James Mendoza:

Here thing why this The Professor (Modern Library) are different and dependable to be yours. First of all reading through a book is good however it depends in the content of the usb ports which is the content is as tasty as food or not. The Professor (Modern Library) giving you information deeper since different ways, you can find any book out there but there is no guide that similar with The Professor (Modern Library). It gives you thrill reading through journey, its open up your own eyes about the thing that happened in the world which is maybe can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your means home by train. For anyone who is having difficulties in bringing the paper book maybe the form of The Professor (Modern Library) in e-book can be your alternate.

James Stumbaugh:

Reading a publication tends to be new life style with this era globalization. With reading through you can get a lot of information that may give you benefit in your life. Using book everyone in this world could share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or maybe their experience. Not only the storyplot that share in the books. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors these days always try to improve their talent in writing, they also doing some research before they write to the book. One of them is this The Professor (Modern Library).

Cheryl Cooley:

Exactly why? Because this The Professor (Modern Library) is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will jolt you with the secret the item inside. Reading this book alongside it was fantastic author who else write the book in such incredible way makes the content inside of easier to understand, entertaining method but still convey the meaning totally. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of benefits than the other book include such as help improving your ability and your critical thinking approach. So , still want to hold off having that book? If I were being you I will go to the guide store hurriedly.

Rebecca Goza:

Reading a book to get new life style in this calendar year; every people loves to go through a book. When you study a book you can get a wide range of benefit. When you read guides, you can improve your knowledge, simply because book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you want to get information about your review, you can read education books, but if you act like you want to entertain yourself look for a fiction books, such us novel, comics, and also soon. The The Professor (Modern Library) offer you a new experience in looking at a book.
